

298A.9 Capital project funds.

A capital project fund must be established in any school corporation which issues bonds or other authorized indebtedness for capital projects or which initiates a capital project, or which receives grants or other funds for capital projects. Boards are authorized to establish more than one capital project fund as necessary. Any balance remaining in a capital project fund after the capital project is completed may be retained for future capital projects in accordance with the original purpose of the bond issue or voter-approved levy; or may be transferred, by board resolution, to the debt service fund, the physical plant and equipment levy fund, or other fund from which the surplus originated; or transferred to the general fund in accordance with section 278.1, subsection 1, paragraph "e".
